Worth Repeating. Merchandise

Each of the following items has been already advertised during the past two days. Only the inclement weather has detained enough of the lots to justify the statement that each offering will amply reward your respectful attention:

Annual Silver Sale Table-ware and Hollow-ware of sterling silver in rich styles. You pay hardly the value at the smelter of the pure silver in these items. Which means that the prices are reduced, some one-fourth, some one-third.

Quadruple Silver-plated Table-ware and Hollow-ware. Vast variety in each. Also a collection of Rogers' Extra Plate in spoons, forks and serving pieces. All prices greatly reduced-some one-third, some one-fourth. Main floor and Basement Sub-Station Store, Stewart Building.

SHOE SALE Extraordinary

Women's Shoes, Wanamaker standard at \$1.50, \$1.90 and \$2.40, that were \$1.90, \$2.50, \$3 and \$3.50. Girls' Shoes, Wanamaker standard at \$1, \$1.20 and \$1.50, that were \$1.50, \$1.75 and \$2.

Sub-Station Store, Stewart Building. Men's Shoes. Wanamaker standard at \$2.20, \$2.85 and \$3.40-the latter

only 61/2 and 7-that were \$3, \$3.90, \$5 and \$6. Boys' Shoes. Wanamaker standard at \$2, that were \$2.50 and \$3.

Main floor, Wapamaker Building. Recent Collection

Dinner Sets, American procelain, 100 pieces, \$10.

Dinner Sets, Austrian china, comof Dinner Sets plete for twelve persons, \$15. Dinner Sets, English porcelain, 112 pieces, \$16.

Dinner Sets, Austrian china, 102 pieces, \$18. Dinner Sets, Chas. Field Haviland china, 101 pieces, \$25. Dinner Sets, Pouyat French china, 114 pieces, \$70, reduced from \$95.

These prices are a third off the market. This offering should win a large audience for the China and Glass-ware Store. The most elegant and attractive art store in New York. Everybody Third floor, Wanamaker Building.

Men's Suits to Order at \$25

About ninety styles of Worsteds, Cheviots and Cassimeres, formerly priced at \$30 and \$35. The response to our last offer of this character was so hearty that we have put forth special efforts to duplicate it, and can therefore make this announcement. These suits will be made to your measure, in singlebreasted sack coat style, with the same nicety of fit and finish as you would have received at the higher price. \$25, formerly \$30 and \$35. Main floor, Wanamaker Building.

Rationale of January Bargains

You have a right to expect them even though prices are ad" vancing. Some bargains are due to fools. The sort whose eyes are bigger than the market. And so they get more goods than they can sell.

Some to natural causes: Change of season, change of style, stock round-up, sharp needs of money. One of the most prolific causes is annual or semi-annual adjustments of large concerns who make money by losing money to settle up the business of a year or season. Our offerings are real, reasonable and

News of the Hour. Merchandise

Good news not told before:

Women's Suits and Overcoats

The writer was once assailed by an advertiser with the statement that an advertisement must contain assertion three times the strength of the

thing advertised. That is, it should be one-third truth and two-thirds lie. Emerson enforced the value of under-statement. Is under-statement also falsehood? In the following there is not a trace of exaggeration and there is a lot of under-statement. Will the extreme of moderation help us to pay

One Hundred and Fifty Tweed Sack Overcoats for Women. The cloths are in mixes, stripes, checks and plaids, of stout weights. Welltailored, with double cloth shoulder facings. Price, \$6.50 each, Last month, value \$14. Economical protection for the cold that is coming.

Forty Fancy Cloth Street Suits, various plaids and checks. Recently made in best street costume styles. Price, \$10. The best previous value was \$15-the greatest more than double.

A Great Variety of Suits was described yesterday. The choice includes velveteen, plain cheviots, and brown, black, claret and blue broadcloths. Nearly all just off the tailor's tables. Latest conceit. The price is Recent value \$24. But when you see them you'll guess higher.

Twenty-two Black Heavy Broadcloth Overcoats, with fur collars of Persian lamb paws, black lynx, cat and Siberian squirrel. Lined throughout with black satin; length 50 inches. Bargains at \$25, but great bargains at \$15.

Third floor, Stewart Building.

Raincoats and Umbrellas rule the month. We rule the Raincoat. Here are fifty. Cravenette in tan and Oxford. Styles up to the hour. The price of the hour should be \$18, but (owing to a sudden stroke of genius), the price of the hour is \$12. What will be the price of the hour when the fifty chosen women will remove this fifty? Don't know. Will tell you then.

TROUSERS Triumphant

Crisp fibre in hard-twisted yarn is the basis of the best worsted trousering. Trouserings plus tailors make Trousers. Today we offer six hundred Trousers (two-legged), each of which is a triumph of trousering and tailoring. Normal price \$6.50 to \$8. The January price, \$4.75. Their appeal is to men

that wear good clothes. Wanamaker Building-Main floor.

Boys' \$6.50 Suits at \$5

Another extraordinary offering, which nothing but our enormous purchasing permits us to present. These Suits are in the newest Spring styles, made of blue serges and mixed cheviots, and are sold regularly at \$6.50. Today, owing to a special purchase, we are enabled to offer them at \$5. This includes Sailor Blouse Suits, with bloomer trousers, in sizes for 5 to 10 years; and Russian Blouse Suits, with bloomer trousers, for boys of 3 to 7 years. Main floor, Wanamaker Building.

RUGS of the ORIENT

In Many Fine Grades—At Greatly Lowered Prices

This movement concerns quite a large collection of the finer grade of Oriental Rugs, carefully chosen for our own regular stock. They are straight flat rugs, in perfectly balanced designs, and well-blended and harmonious colorings. There are about a hundred fine Rugs in room sizes, specially suited for parlor, dining-room or library. More than half of this collection is in the popular Kirmanshah and Goravan weaves, select specimens such as are seldom offered under value.

There is also a small group of fine Turkish Rugs; the widths in these various rugs ranging from 8 to 17 feet, and the lengths from 8 to 22 feet. It is impossible to give a complete list. The suggestions that follow indicate the variety and the reductions from former fair values:

Fine Turkish Rugs

Kirmanshah Rugs
